Dear Mr President and Mr Speaker

Erratum notice – NSW Ombudsman special report: Revenue NSW – The lawfulness of its garnishee order process

My office has identified an error in the special report, *Revenue NSW – The lawfulness of its garnishee order process*, I tabled in Parliament pursuant to s 31 of the *Ombudsman Act 1974* on Tuesday, 30 April 2024.

Annexure B to the report contains a number of legal opinions, and documents relied on in those opinions, obtained by Revenue NSW and the NSW Ombudsman and referred to in the report.

However, due to an administrative error by my office, the copy of the appendices attached to the report that was tabled was missing 5 page numbers in the appendix (30 to 36). This impacted the page numbering in the remaining pages, and in the appendix table of contents. There were also two hyperlinks in the appendix table of contents that did not link to the correct appendix page.

These errors have now been corrected and I enclose the corrected appendices. There are no corrections other than to page numbering and the resulting updates to page numbers and hyperlinks in the table of contents.

We are reviewing our quality assurance and sign off procedures for tabling reports to reduce the likelihood of issues such as this happening in the future.

I would appreciate your assistance in ensuring the erratum notice is tabled and the corrected copy of the appendices is made public at the first available opportunity. Following your acknowledgement, I will update the report on our website.

I apologise for any inconvenience caused and thank you for your assistance in ensuring the public record of my office's work is accurate.

Yours sincerely

Paul Miller
NSW Ombudsman
